DEDICATION

We the members of the "La Petite Ville" staff dedicate this yearbook in loving memory of the late Miss Geraldine Dickerson who served us faithfully for three years. During this time we came to love and respect her friendly smile, her courtesy, her kindness, and her consideration for others. She will always remain dear to our hearts.

*I'll always think of
you as a fine girl.
Best wishes, Neil Singletary*

CLASS HISTORY

The Senior Class entered high school as mere freshmen in the fall of 1954. Our class was rather small with nine students. They were Jayce Strum, Jahn Tucker, Barbara Nethery, Helen Rose O'Geary, Ray Keetan, Billy Walker, Betty Lau Wright, Winstan Keetan, and Harold Matthews. The class officers were: President, Jahn Tucker; Vice-President, Barbara Nethery; Secretary-Treasurer, Helen Rose O'Geary. Our homeroom teacher was Mrs. Mac Satterwhite.

In the fall of 1955 we entered the sophomore class with only five of our original class. We lost Harold Matthews, Ray Keetan, Billy Walker, and Betty Lau Wright, but we gained three new students. Rodgers Baswell came to us from Warrenton. Barbara Matthews also came to us from Franklinton. Marie Narvaad decided she'd rather be in our class so she dropped back a year for us. The class officers were: Jayce Strum, President; Vice-President, Jahn Tucker; Secretary-Treasurer, Barbara Nethery. Mrs. Bullock was our homeroom teacher and sponsor.

In 1956 we were all promoted to high headed Juniors. We had eight students in our class. Miss Lyles was our sponsor and we had a very successful year. We gave our Junior play March 15, 1957. Everybody had a role in the play and we thought it was very good. The title of it was "June Fever." We also gave the Seniors a swell banquet on May 10, 1957. Mrs. Jessie Harris was our homeroom teacher. Our Junior year was a very happy one, but we were all glad to see the end of that year, because we knew the next step would be the last.

We all entered our Senior year with happy smiles because we were proud Seniors. Our class officers are: President, Barbara Nethery; Vice-President, Joyce Strum; Secretary, Helen O'Geary; Treasurer, Barbara Matthews; and Historian, Jahn Tucker. We have a whole new faculty this year and we all like them very much. We gained Ollie May Haring from Sumter, South Carolina, which built our class back up to nine. There are nine seniors now and are eagerly looking forward to going up on the stage of old T.H.S. and receiving our diplomas, which we have been striving for, for these last twelve years.

Historian

LAST WILL AND TESTAMENT

We the Senior Class of 1958 hereby publish this our Last Will and Testament, and leave our hopes high that our Will be accepted and carried out to the fullest.

Article I To this school we leave the echoes of our little feet thundering through the hall.

Article II Item 1 To our teachers we leave our love and most sincere wishes that some day they shall have everything that they have done for us returned to them much brighter than before.

Item 2 To Mr. Singletary, we give thanks for helping us through all seven periods, especially third period.

Article III Item 1 To the Junior Class we leave the privilege of being called Sophisticated Seniors.

Item 2 To the Sophomore Class we leave the problem of choosing a theme for the Junior-Senior Banquet.

Item 3 To the Freshman Class we leave these opportunities, if used wisely, will make the next three years the happiest of their high school career.

Article IV Item 1 JOHN TUCKER leaves to Jack Adams his many girlfriends. He has more girls than Carter has pills.

Item 2 RODGERS BOSWELL leaves his ability to play baseball to Gene Narvaad.

Item 3 WINSTON KEETON leaves his ability to take his school bus around a curve on one wheel-steering wheel that is, to Warren Capps.

Item 4 JOYCE STRUM leaves her legs to Gertrude Williams. We hope you like them. We sure did.

Item 5 BARBARA NETHERY leaves her beauty to Barbara Reese.

Item 6 OLLIE MAE HARING leaves her brains to Grace Woodlief.

Item 7 BARBARA MATTHEWS leaves her sweet and lovely personality to Mary Ann Hape.

Item 8 MARIE NORWOOD leaves her promptness and dependability to Rase Brewer.

Item 9 And I, HELEN ROSE O'GEARY leave my ability to flirt to the Junior girls to divide equally among themselves.

HELEN ROSE O'GEARY
Testatrix

CLASS PROPHECY

As I was walking down a small dirt road the other day, suddenly I saw a folded paper sticking out from under the edge of a big rock. The rock was very heavy, but I was curious and wanted to know what kind of paper should be in such an odd place. I finally got up enough strength to move the rock and started to read the paper. To my surprise I found out it told what the seniors would be doing ten years from this day. This was a great discovery. Why, everyone would want to hear this! It reads as follows:

BARBARA NETHERY, the class president, is now married to Johnny Riggan, and they with their two fine children are making their home in Arkansas.

JOYCE STRUM, the vice-president has completed her training and is now a registered nurse. She has a happy home in Raleigh, North Carolina with her husband and one two-year old child.

JOHN TUCKER, the historian of our class, has a career as a jet pilot in the United States Air Force. John is married to Miss North Carolina of 1960.

RODGERS BOSWELL, the most athletic boy of the class, is playing ball with the Yankees. They have won the world series for the last nine years.

OLLIE HARING is a career woman. She is a secretary in the U.S. Mint in Washington. She has been engaged for the last six months.

HELEN ROSE O'GEARY is an actress in New York. She has been in several Broadway plays and has appeared on television three times. She is married and has two children.

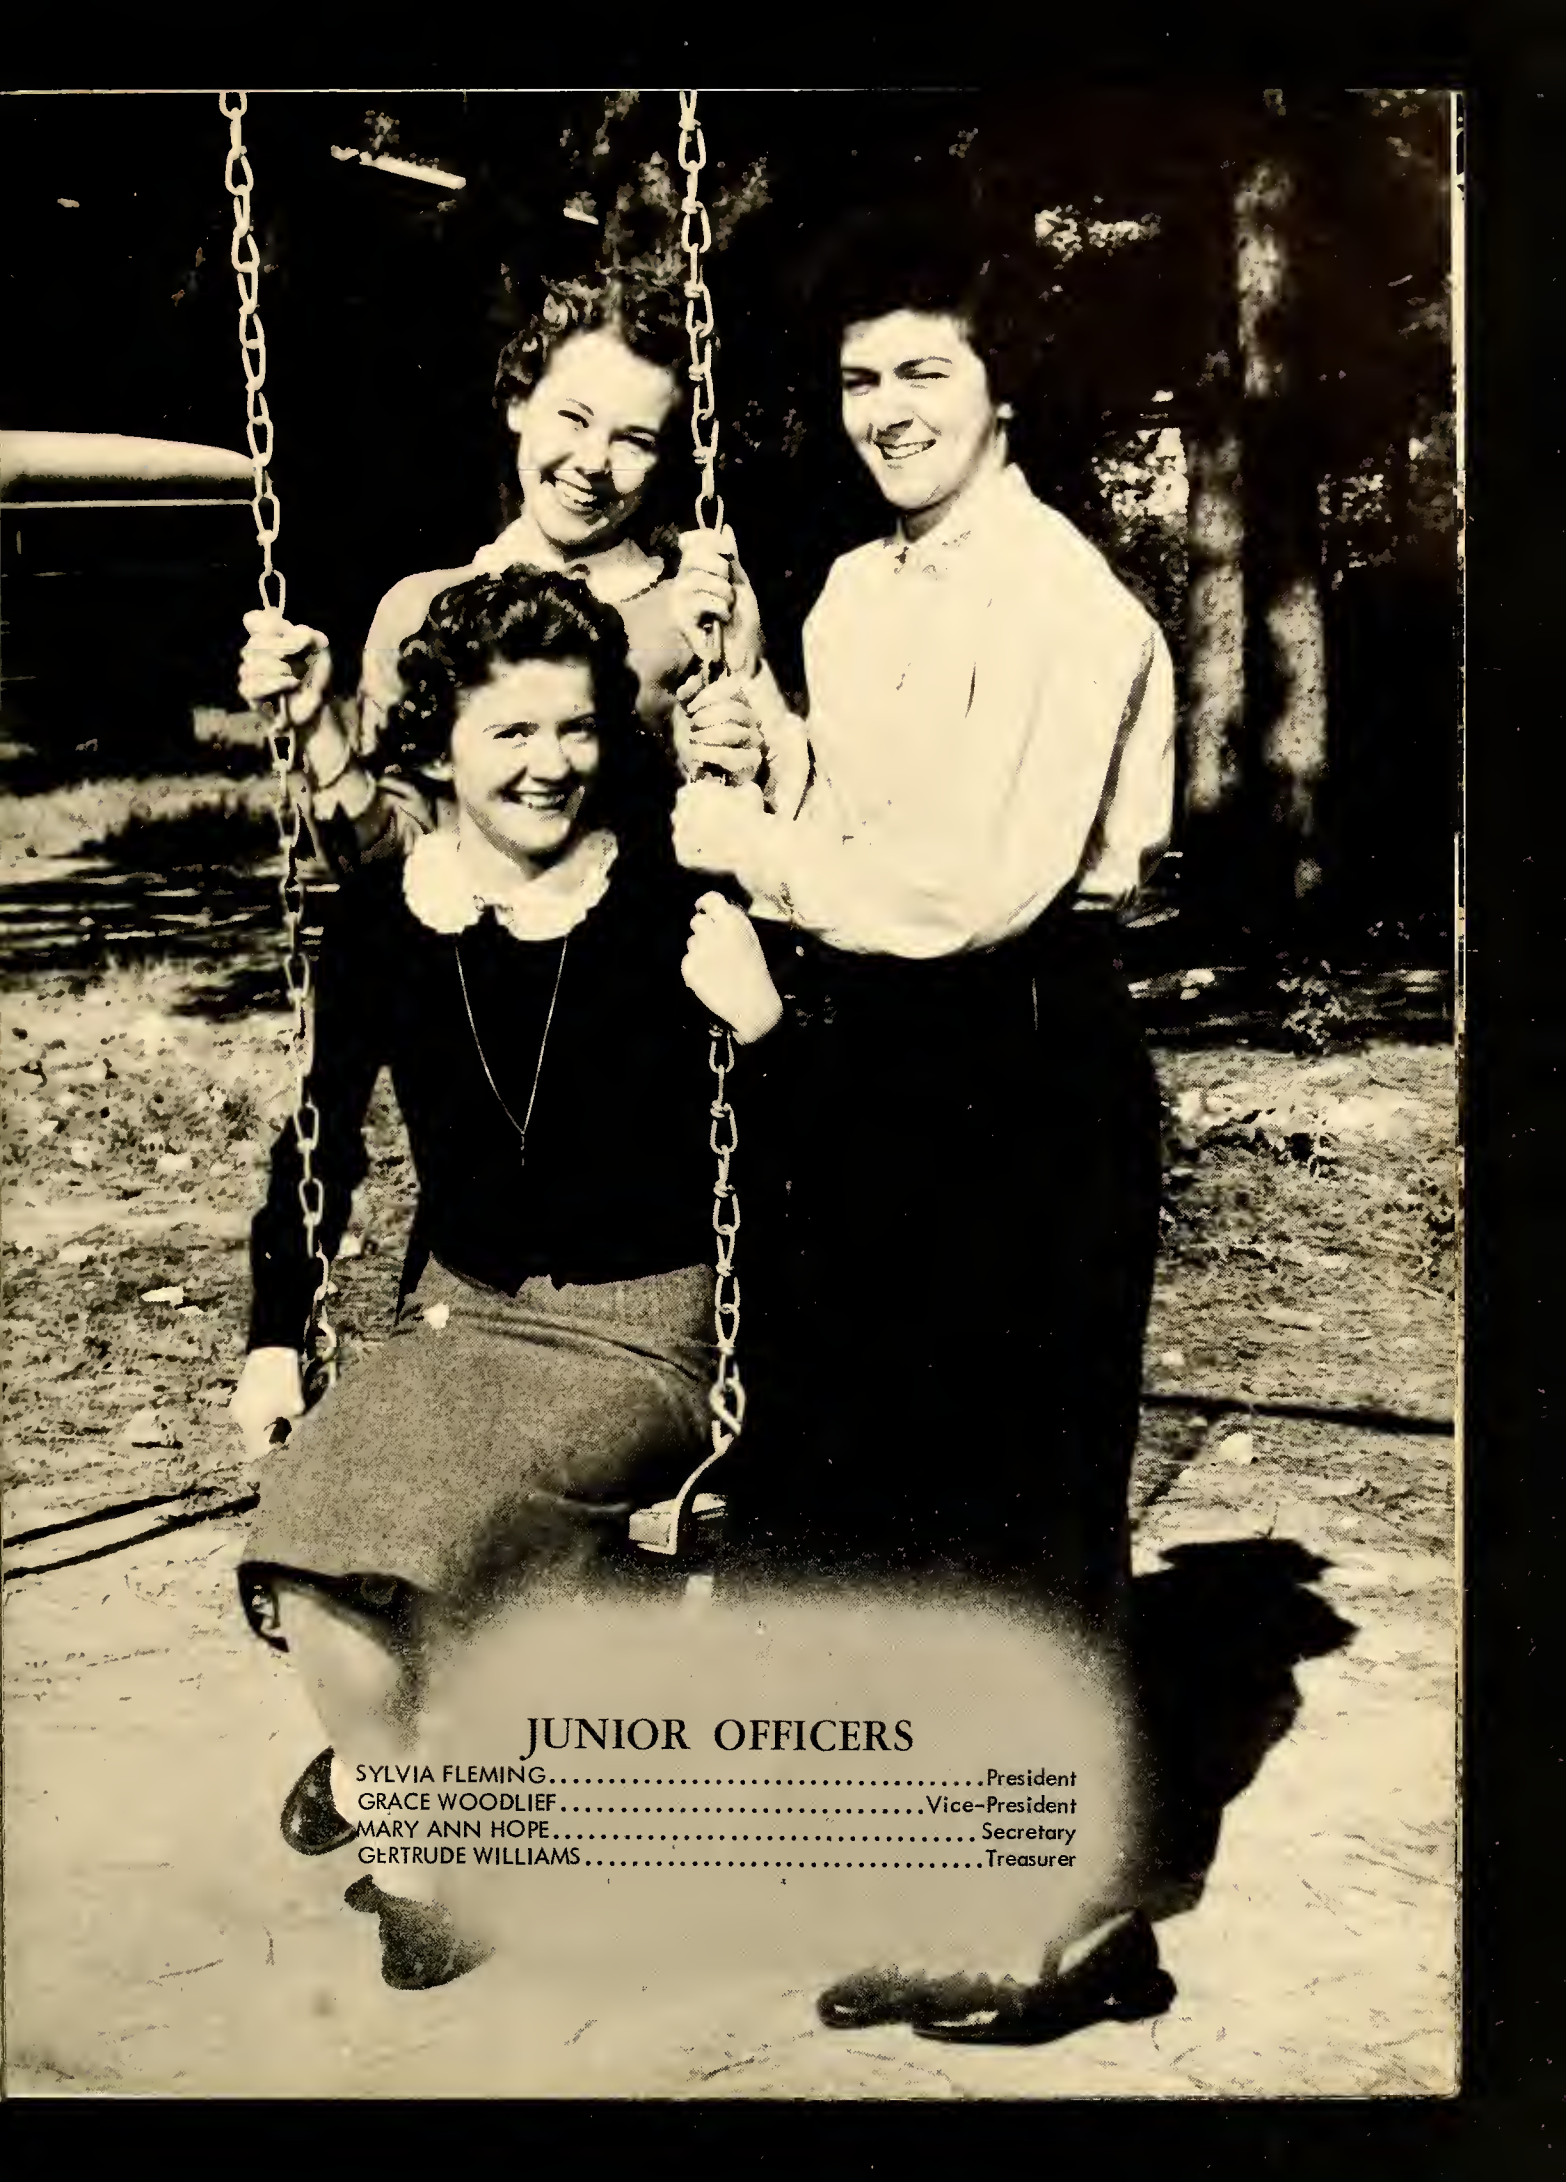

WINSTON KEETON is a mechanical engineer in the United States Air Force.

MARIE NORWOOD is a secretary in Raleigh, North Carolina, after finishing training at Henderson Business College.

Finally came my turn, I was excited to see what I would be doing ten years from now. This is the way the paper read for me. BARBARA MATTHEWS, the class treasurer has a job as a journalist for the News and Observer in Raleigh.

These are all just prophecies. Some may come true, some may not, but I hope they all succeed in what they start out to do.
